

Providing Kentucky's retailers with the services they need to succeed!

The Kentucky Retail Federation is the "Voice of Retailing" throughout the Commonwealth, representing retailers of all types and sizes since 1939. From Main Street to the mall, retailers enhance Kentucky's communities and provide a better quality of life for Kentuckians everywhere. Kentucky's retail industry employs 380 thousand Kentuckians and pays more than \$9.3 billion in wages annually. Retailers collect over \$2.8 billion in state sales tax and pay millions in other taxes to state and local governments.

KRF is a strong advocate for the retail industry and provides value-added services and programs that retailers need to succeed in today's marketplace. Kentucky Retail Federation members receive effective representation, consistent communications and ongoing education.

KRF provides government advocacy through legislative lobbying and regulatory monitoring. KRF's team of lobbyists takes an active role in the formulation of business legislation in Kentucky. They continually monitor and research complex issues that affect the retail industry with a goal towards providing members with timely, accurate information on issues, political trends and regulations.

The Federation is supported by membership investment dues and governed by a Board of Directors representing the wide variety of retailers and businesses in Kentucky.
